12. PAUL UNDERGROUND RIVER
Palawan's most popular attraction is its underground river, set to be the longest in the world.
It has many superb limestone formations and passages that can be explored by boat.

OLD HOUSES OF VIGAN
Included in the UNESCO World Heritage list for its 19th century "colonial mansions",
made of massive bricks with traditional, light and intricate relief grilles in colonialist motifs,
an echoing testimony to the grandeur of the town.
