Albany to Bremen, Germany, June 28, 1886. Rec. Aug. 4th.
Double Surcharge, 16c double weight rate to overseas destinations, 1/2-1 oz.

With no indication of weight, this may have been a double weight cover which would have resulted in a convenience overpayment of 4c, or it could have been a single weight cover resulting in a necessity overpayment of 12c. Overpayments of this kind were as much the rule as the exception.
