(Cotter and Quinto (1895) listed the stamp and stated it was issued between 1883 and 1884. Mencarini (1896) listed the stamp. Galvez (1900) listed the stamp, and stated it was issued in 1883. Bartels (1904) listed it as a stamp of doubtful status. Palmer (1912) stated that Bartels had a stamp in his collection and was aware of a number of others in existence. Palmer also stated that Bartels believed it was "unquestionably genuine." Galvez (1962/63) listed the stamp. After the stamps in this exhibit were discovered, examined and subsequently expertized (two of them), it was determined the stamp was worthy of inclusion in the Scott Catalogue. It was mentioned in a footnote in the 1996 Catalogue, and was given a new listing (Sc. 95A) in the 1998 Scott Catalogue. It remains listed today.)
